Dear Eric;

It would be great to get all the monies for the road system for the Chigniks to Pilot Point and also down to Ivanoff Bay. I know the costs to ship something from Seattle to Naknek is just as expensive as shipping from Naknek to Ugashik. You have a lot more miles from Seattle to Anchorage to Naknek than you do from Naknek to Ugashik. We get the short end of the stick out in the villages.

Anyway, it was good to see you once again in Dillingham, but there sure wasn't much time for comments at the meeting. It seems like there would have been more time for public comment, rather than presentations.

Sincerely,

Roy S. Matsuno
Tribal Administrator
